

OUR MISSION: DEMONSTRATING THE DIVINE LOVE OF GOD WORLDWIDE IN ALL AREAS OF LIFE

YESSAL GUI THE RENEWAL (YTR), Inc. is a nonprofit religious charitable organization with the mission of demonstrating the divine love of God worldwide in all areas of life. One of the areas we have focused on to achieve this goal is through our weekly Friday Cooking where we give away free food without distinction. With so many people facing food insecurity, providing the nourishment of food is one way of showing unconditional love and support for communities. With this in mind, we have already served over 14,400 meals since November 4th, 2022. We are currently headquartered in Indianapolis, IN but our goal is to come to a town near you as we often visit other communities to serve the unhoused populations in the area and shelters. Please visit yessalguitherenewal.org for more information about our organization. You can view testimonies on our Home page and a variety of Friday Cooking videos on our Friday Cooking/Distribution page.

If you would like to get involved or join YESSAL GUI THE RENEWAL, Inc. in our mission of demonstrating the divine love of God in all areas of life, there are several ways to make a difference!
